

The following guidelines for personnel time allotments to CF centers are part of the guidelines used to review and accredited CF care centers by the Cystic Fibrosis Foundation.

Guidelines for Personnel Time Allotments to CF Centers

1. M.D.'s: 1 Full Time Equivalent (FTE) per 100 – 150 patients. Please note, there is a minimum requirement of 2 M.D.'s per center.
2. R.N.: 1 FTE per 100 – 200 patients.
3. Social Worker: 1 FTE per 100 – 200 patients.
4. Dietitian: 1 FTE per 100 – 200 patients.
5. Respiratory Therapist: 1 FTE per 100 – 200 patients.

These numbers may vary depending on each individual's other responsibilities or the division of responsibilities within the team.
